

Twilight Tuesdays

“Something old, something new, something borrowed and something Blue”, best describes our musical lineup this year, as Twilight Tuesday turns in a new direction. Some of our musicians have played here before...many times, some are back in a new guise or as part of a new band, some are here for the first time and some have played in the hall during the past year at other special occasions. However they got here, they are sure to provide music and an enjoyable evening for everyone.

July 4 **Educated Guess** is a four piece cover band who has played throughout the Niagara Region for over ten years, featuring the music U2, the Rolling Stones, the Beatles, the Kings of Leon, Men at Work, Duran,Duran, the Who

July 11 **Groovy Food** Travel back in time to the halcyon days of classic Rock and Roll with Groovy Food ... a four-piece, classic rock band that has been performing predominantly around the Niagara peninsula since 1999. Influenced by Chicago, Creedence Clearwater Revival, The Doobie Brothers, The Doors, The Rolling Stones, Sly and The Family Stone, Stevie Wonder, The Who and others, Groovy Food tries to bring an authentic 1960's/70's classic rock experience to every venue at which they play.

You may have seen them at the Spyce Lounge, the Grape and Wine Festival, Scotiabank Convention Centre and recently at Holimont Ski Resort in Ellicottville and now they join us at Fireman's Park to entertain you with their musical talent.

August 15 **Avenue Inn** is an alternative rock band based out of Niagara Falls formed in 2012. Unlike a lot of bands their sound is new - they list Arkells, The 1975, Arctic Monkeys, The Sheepdogs, John Mayer(!) and Kings of Leon as key influences.
